

# TLC HOUSEHOLD SERVICE FORM

We have successfully completed 7 years of TLC. During that time we have had 90% of the same volunteers serving in the same capacities. If we want to see this ministry grow, we need more households to engage in serving the community. **We need your household to serve this year!** Please read carefully the following material and let us know where you or a household member will serve this coming '11-'12 year.

We will need people with a wide variety of gifts and talents to help. Where they serve can also be varied in location and time. Those positions with a (\*) will denote flexibility in either time (You pick your own) or can be done at home or both.

**The areas of ministry that have been very difficult to fill are the Catechist Positions.** If volunteering for a catechist position you can do monthly, weekly or both (check both sections). If unworthiness is your concern, trust that God can use you. If time is another concern, trust that God can make it work. We need to move from good intention to action! **Every family must serve! We expect at least one person from each family to commit to a service ministry. Please note, if you have a child in the nursery – expect to commit to help in the Nursery.**

**PRINT the person's name of your family on the blank(s) in the area(s) where they want to help.**
